

Global Crossroads in Social Welfare. Emergent Issues, Debates and Innovations across the Globe,
Sous la direction de: Eyébiyi P.E., P. Herrmann, V. Sheen (Eds.)., Bremen: Europäischer Hochschulverlag, 2010, 380p. Studies in Comparative Social Pedagogies and International Social Work and Social Policy, Vol. XI. http://www.amazon.de/Global-Crossroads-Social-Welfare-Innovations/dp/3941482777/ref=sr_1_1?ie=UTF8&s=books-intl-de&qid=1274360393&sr=1-1

L'ouvrage dresse un panorama analytique et critique des tendances du développement social à travers le monde. Il est subdivisé en trois parties:

Section I: Social Policy and Social Development - Challenges faced

Section II: Discussing the "Mainstream" - Progress and Resistance around Social Rights and Benefits

Section III: Social Action and social change - processes of learning, reflection and transformation

La première partie interroge profondément les questions des politiques sociales et du Développement Social sous plusieurs angles et selon les réalités de différents pays sur tous les continents. La Deuxième partie traite des grandes tendances dans la mise en oeuvre et l'appropriation des droits sociaux. La Troisième partie traite de l'action sociale et du changement social, à travers les processus de structuration, de construction, de maintien et d'évolution du développement social en tant que concept mais aussi en tant que fait réel et vécu dans l'arène sociale quotidienne.
