

Call for contributions WGLP (RCSL) meeting in Berder (France) 2008 Apologies for cross-postings. Dear Colleagues, As you may remember, the site of the 2008 meeting of the Working Group on the Comparative Study of Legal Professions of the RCSL will be the Ile de Berder, in Brittany, France: <http://www.lvt-berder.com/> The dates are June 29 (arrival) to July 2nd (departure after lunch), 2008. We are now preparing for this meeting and we would like to know if you are planning to attend. Could you let us know by email (to lise.mounier@ens.fr) before December 15, 2007 ? In your email, please mention also the title of your paper and the subgroup in which you want to present your contribution, if possible, and send this information to the appropriate sub-group leader as well (list below). This will help them prepare the sessions of their sub-group. If you do not know in which sub-group to present your contribution, please let us know. The idea is to come up with a very preliminary program by the end of December. If you have suggestions for plenary sessions and for other special events ("Author meets critics" session, for example), do let us know as well. A couple of indications that might be useful for planning your trip to Berder: Participants are expected to arrive on June 29. We will have sessions from Monday June 30 in the morning to Wednesday the 2nd of July lunchtime. The cost of the meeting will be low, as usual (a first approximation -it all depends in the end on the number of persons who will register- is around 350 euros per person for registration, accommodation, meals, bus from and to Vannes, tour to Le Bono). The number of participants will be limited (60 persons). And, as you know, it will be necessary to share rooms. Information concerning transportation will be provided later (most of it is available on Berder's website). We look forward to seeing you in Berder. Amicalement. Emmanuel Lazega (Chair of the WGCSLP) and Lise Mounier
